Product Data Sheet

Trade Name: Sugar- Demerara
INCI Name: Saccharum officinarum
CAS Numbers(s): 57-50-1
Description: Demerara sugar is a large grain, deep amber color natural sugar. It is excellent for use in exfoliating scrubs to gently polish and moisturize the skin, creating a smoother skin texture and tone. In sugar-based depilatories, it may be used to provide safe, all-natural, water-soluble hair removal products.
